School Buzz

In an endeavour to provide opportunities to students to understand, share, and develop a global perspective and evolve into multifaceted individuals with a humane outlook, **Lotus Valley International School, Noida** set forth its students on a global odyssey to Germany, US, France and Spain. Forty-seven

students of classes VIII and IX, attended the space school programme at NASA's Kennedy

Lotus Valley International School, Noida

Space Centre, Orlando. Space exploration through launch pad simulation, visit to Disney's Magic Kingdom and Niagara Falls opened up new horizons of enriched learning and ignited the spirit of curiosity, adventure and fun. Another group of 18 students from class-X vis-

ited France and Spain. 17 students of classes IX and X participated in the German Exchange Programme. They visited Johanaes Turmair Gymnasium, Straubing and collaborated with their German counterparts under the project 'Different Countries, Different Sports' of Germany and India.
